RE-CREATION'S "PARTY ROCK USA" TO PERFORM AT THE CANANDAIGUA VA

The Canandaigua VA Recreation Therapy Department announced today that Re-Creation's "Party Rock USA" show will appear at the Canandaigua VA Medical Center on Monday, May 2nd at 2 p.m. in Building #5, Auditorium, bringing a new stage presentation to hospitalized veterans and their guests.

The program is free and open to the public.

The group represents Re-Creation USA, Inc., which provides a national program of live entertainment for America's hospitalized veterans in VA Medical Centers and State Veterans Homes.

The BVL Fund, Re-Creation's longest-running sponsor and a Bowlers of America charity for hospitalized veterans, also helps to underwrite tour costs. The Elks National Veterans Service Commission, in conjunction with local B.P.O.E lodges, house Re-Creation touring groups nation-wide. And the entire tour is produced in co-operation with the Department of Veterans Affairs.

"Party Rock USA" spotlights great songs and great stars as America's young ambassadors to hospitalized veterans focus on this nation's best loved music. Dynamic vocal renditions are enlivened by intricate, disciplined dance and choreography as the stage...and the entire room...virtually erupt with Re-Creation excitement.

Re-Creation was founded in 1976 and performs in all 50 states. Credits include appearances at some of the nation's most prestigious fairs and festivals, at local, regional, state and national corporation banquets and conventions, and at major resort areas. Civic clubs, fraternal groups, schools, and public and private organizations now keep Re-Creation booked for more than 300 concerts each year.

Re-Creation travels with comprehensive sound equipment and staging materials. Each Re-Creation performance is a full variety production designed to provide unique and satisfying musical entertainment.
